General Sales Conditions (in force as per 1.1.2002)

ARTICLE 1

All sales by Pittsburgh Corning Europe N.V. (hereinafter called "Seller") are made subject to the following general sales conditions except in the event of express written derogation. The present conditions have priority over the general conditions established by the Buyer. The order of the latter implies his acceptance of Seller's general conditions. The validity of one of the articles of the present conditions does not in any way affect the validity of the other conditions.

ARTICLE 2

The Buyer's order does not in any way bind Seller unless accepted by Seller in writing. Delivery dates are quoted by Seller as mere indications. They do not constitute an essential condition of the sale. Failure to meet such dates shall not give rise to the dissolution of the sales contract nor to any indemnification whatsoever. Goods shall be held by Seller at the disposition of the Buyer at the expense and risk of the latter,

- where the goods have not been accepted by the Buyer at the agreed time and place, or,
- where the delivery conditions have been modified at the Buyer's request, or,
- at the latest, seven days after Seller has formally summoned the Buyer to take delivery of the goods.

ARTICLE 3

Regardless of the modalities of the sale, the delivery of goods takes place and the acceptance of the goods occurs, or is deemed to occur, at the time the goods leave Seller's factory and, at the latest, at the time the goods are conferred to the first transport agent. The Buyer is obliged to examine and control the goods before they leave Seller's factory. As of such time, no complaint may be made by the Buyer for late delivery, apparent defect or non-conformity. As of the time when the goods are accepted, or deemed accepted by the Buyer, all risks are

ARTICLE 4

Seller is not responsible for the delay in executing, or the non-execution of, his obligations resulting from force majeure such as war, strike, fire, flood, lack of raw materials or labor or any other reason outside the scope of

ARTICLE 5

Unless otherwise stipulated in the order confirmation, Seller's prices are established net, ex-factory, not including V.A.T. All insurance and transport fees or other costs related to the goods following delivery are borne by the Buyer. The prices stipulated in the order confirmation are not fixed unless the goods are delivered and taken away within thirty (30) days. After such period, Seller shall have the right to adapt the sales price.

ARTICLE 6

Seller remains owner of the goods until full payment of same or, according to the case, until payment of the bill of exchange.

Any account remaining, wholly or partly, unpaid at the date of payment, shall automatically be charged with interest at the rate corresponding to the discount rate of the National Bank increased by 3% (with a minimum of 10% per year) until the date of payment. In such a case, the Seller may, without prejudice to his right to damages, automatically and without prior summons, resolve the contract of sale, provided he notifies the Buyer by

ARTICLE 7

Unless otherwise stipulated in the order confirmation, Seller's invoices are payable in cash at the moment of the delivery of the goods. Even if the Buyer does not take delivery of the goods at such date, payment shall

ARTICLE 8

Seller warrants that the goods are free of all hidden defects and conform to the specifications communicated to Buyer.

In the event that the goods prove to possess hidden defects, Seller may, at his choice, either reimburse the Buyer for the sales price against return of the goods delivered, or, replace the defective goods, without incurring any other liability whatsoever. The above-stated warranty may only be invoked by the Buyer within, at the latest, six months of the delivery of the goods and on condition that the Buyer notifies Seller in writing of the defect within No declaration made by Seller or his representatives, nor any technical recommendation made by such persons regarding the use or application of the goods may be interpreted by the Buyer as a derogation from the terms of the above-mentioned warranty nor as affecting Seller's responsibility as herein established.

ARTICLE 9

All disputes with regard to the sale are governed by Belgian law (to the exclusion of all uniform laws governing international sales of movable goods). All such disputes shall be filed with the Commercial Court of Brussels unless Seller prefers to file such with the Court having jurisdiction over the Buyer's domicile.

ARTICLE 10

Upon cancellation of an order for standard products, 20% of the invoice amount will be charged. For non-standard products (such as Tapered slabs or prefabricated elements), the cancellation cost will amount to 60%
